Title: International Cherry Blossom Festival: Macon, Georgia

Tour: Each March, Macon becomes a pink, cotton-spun paradise as over 300,000 Yoshino cherry trees bloom in all their glory. For 10 days, festival-lovers are treated to one of the most extravagant displays of springtime color in the nation as they visit the town referred to by Congressional Records as the Cherry Blossom Capital of the World. Join Vivo as we celebrate right along with Bibb County residents and promote local as well as international goodwill by participating in one of the top 20 annual events in the South each year! We'll watch some zaniness downtown when all the men run in high heels to promote good health, enjoy some entertainment in the evening with a great tribute concert, see some beautiful scenery as we travel the blossom trail, explore the architectural wonder of the historic Hay House and much more!
