**Tour: The Ghosts Among Us!**

**Summary:** Enjoy the beautiful back roads of Florida as we spend some down time in the charming town of Monticello. Cute antique shops and cafes dot the courthouse square with the historic Monticello Opera House occupying the stately southwest corner. There are a few ghosts we're going to hear about on our tour of this historic venue, and after we tour a stunning historic district of antebellum homes with a local tour guide before heading over to our state capitol of Tallahassee to spend the night. Our following day we spend visiting the Tallahassee state capitol building complex and tour the gallery of our representatives before returning home.

This is the perfect time to be in the panhandle of Florida - it's still cool enough to enjoy the outdoors!
